To Whom It May Concern:

Re: All Solutions Cleaning & Maintenance

I am writing this letter of reference for All Solutions Cleaning & Maintenance. This company took over the daily cleaning duties for Great Western Bank's Lakewood Branch approximately 4 months ago. We have been very happy with their high level of service and their attention to detail. They have addressed all areas of concern quickly and professionally. This letter is to serve as a letter of recommendation for All Solutions Cleaning & Maintenance.

Thank you,

Tommi McFadden
